### A Little More Conversation

A Little More Conversation, A Little More Action. In the midst of the Covid-19 pandemic and the unique collective experience of a nationwide lockdown, a spotlight has been shone on the issue of social isolation and loneliness and has highlighted some of the long term costs (mental, physical and economic) to our public services if left unaddressed or not treated as a fundamental part of our health and social care planning.

"A Little Less Conversation" is a 1968 song recorded by Elvis Presley written by Mac Davis and Billy Strange and published by Gladys Music, Inc., originally performed in the 1968 film Live a Little, Love a Little. The song became a minor hit in the United States when released as a single with "Almost in Love" as the A-side. A 2002 remix by Junkie XL of a later re-recording of the song by Presley became a worldwide hit, topping the singles charts in nine countries and was awarded certifications i
