Whether the and Aand stands for and appropriateand , and amicableand , or and alternativeand , all out of court dispute resolution modes, collected under the banner term and ADRand , aim to assist the business world in overcoming relational differences in a truly manageable way. The first edition of this book (2006) contributed to a global awareness that ADR is important in its own right, and not simply as a substitute for litigation or arbitration.

ADR in Business: Practice and Issues Across Countries and ...

The purpose of this book is precisely to look at ADR on its own terms as a way of resolving business disputes, particularly at the international level. Drawing upon diverse approaches, ADR experts from a variety of countries explore the situations to which ADR lends itself and the different permutations it offers to allow each dispute to be handled in the manner most fitting to the circumstances.
