Paint the Eyes Softer: Mummy Portraits from Roman Egypt | Opening Jan 13 | The Block MuseumAncient Faces Mummy Portraits From

From the first to third century A.D., the art of painted panel portraits flourished in Roman Egypt. Called Fayum portraits, these images were sometimes placed over the heads of mummies. Until recently almost entirely overlooked by scholars and the public alike, these are startlingly realistic portraits of men and women of all ages.

After the Battle of Actium in 31 BC, Egypt became part of the Roman Empire and realistic paintings of people's faces on wooden panels – 'mummy portraits' – became the new trend for burials. These are very different from the stylised faces on decorated wooden coffins that had long been traditional in Egypt.
