travel across the open seas with much greater success, coupled with advances in maths, astronomy, cartography, and printing, all of which allowed better knowledge to be more widely spread, gave Europe the potential to extend over the world.

### ~~The European Overseas Empires~~ Overview

Trust is critical to the success of global business teams in that it encourages cooperation and minimizes unproductive conflict.<sup>2</sup> Each member of a global business team brings a unique cognitive lens to the group. If harnessed effectively, the resulting diversity can yield significant synergies and produce a collective wisdom superior to that of any individual.
