rehabilitation, restoration and preservation of sites. This preservation of sites is not only important from a historical point of view, but also a cultural point of view. The presence of these historical buildings bridges the gap between the past and the future.

Role of Conservation in Preserving Cultural Heritage

Conservation (or preservation, when given its proper meaning) of the most sensitive and important buildings or sites may come close to absolute physical preservation, but those instances will be very rare.

Where To Download Conservation Of Lucknow

Heritage preservation is that there is a trade-off between the perceived needs of society in terms of heritage preservation and individual property rights. This is a particularly important problem in Canada, as property rights are not well defined.¹ Unlike the Constitution of the United States, the Constitution
