Department for Education - GOV.UK

Physical Education is a way of education by means of physical movement. From Molecular Biology to Material Sciences nothing of value can be expected from a society if the teaching and research in Health and physical education is ignored or if it is relegate to a secondary status. Being a natural phenomenon, movement is the essence of life and the entire mechanism of human body is geared to it.

Department of Health Physical Education & Sports Sciences

Following the Robbins Report, 1964, the Department of Education and Science (DES) originated in April 1964 from merging the Ministry of Education and the office of the Minister of Science. It was responsible for sport, and 1964-67 and 1974-79 also for arts. In July 1992 it lost its science role and became Department for Education.
