I have a 1215 that I have had 3 years it has 600 hours on it, all fluids have been changed even took it to New Holland Repair shop. The hydrostatic drive would not allow me to drive in High, when it gets hot the transmission just whines. The repair shop could not duplicate the problem so they only charged me \$250 for the "work" they did. However, now, even when I first start it up and ...
