These conversations are much improved from the Integrated Korean website at my school. However, the speaker for this conversation, as well as some others, could help us out by slowing down a little. If realism is the

aim, so be it. But it's quite alienating for a true Intermediate 1-level speaker.

A série Integrated Korean é excelente, e eu já esperava que o Intermediate 1 seguisse o mesmo esquema dos anteriores. É simples e

eficiente. Apesar de ser intermediate você encontra pontos gramaticais do coreano básico nele. Os exercicios são um pouco intediantes mas são úteis. Em geral um ótimo livro.
