AAT Professional Management Accounting ... - Kaplan Publishing

This paper, Kaplan's 1983 paper, and the publication of Relevance Lost provided a wakeup call for academic accountants and many others as well. Kaplan begins by saying that there has been little innovation in management accounting systems in the last sixty years. Kaplan's purpose in this article is to summarize the development of management accounting, including the new demands for management information, and to develop a research strategy to meet these demands.
