Jefferson Tayte is good at finding people who don ' t want to be found. For years he has followed faint genealogical trails to reunite families—and uncover long-hidden secrets. But Tayte is a loner, a man with no ties of his own; his true identity is the most elusive case of his career. But that could all be about to change.

Kindred (Jefferson Tayte Genealogical Mystery, #5)

Kindred was born out of the need to create a compelling story for Jefferson Tayte ' s own family history, and I quickly realised that I needed something bigger and better than I had ever written before. That, at least, was the task I set for myself, Whether I ' ve achieved that goal, I must leave for the reader to decide.
