Screen // Part 1 The Mother Daughter Project How

In The Mother-Daughter Project, we discovered the simple but revolutionary idea that by joining together in small groups, ordinary mothers and daughters can thrive by facing the challenges of adolescence together. Mothers and daughters love staying close and having fun while taking on the hottest issues girls and women face.

The Mother-Daughter Project is a most practical, theoretical, and hopeful guide to dealing with our predator culture -- a culture that expects and even thrives upon mothers and daughters becoming separate during the daughter's adolescence. My mother-daughter group, just begun with help from the book contains 11 & 12 year old girls and their mothers and is a multi-cultural, multi-ethnic group who have various economic backgrounds.

Now the mother of four children --
Emilee, Michael, Walker, and Grace --
Tierney wanted to resurrect parts of
her own past, and in doing so she was
able to discover her own growth
process. With her kids in tow, she
chronicled visits to her mom in upstate
New York, shooting spontaneously as
events occurred, walking in fields,
peering or placing herself in quotidian
bedroom or bathroom scenes.
