Marie-Olympe de Gouges, The Rights of Woman. (1791) [Introductory note: Feminist demands, though they had roots in the Enlightenment and found vociferous expression in the early years of the Revolution, received little attention from the Constituent Assembly. The constitution was drawn up without any serious consideration of the possibility of women's suffrage, and it gave no attention to such issues as legal equality within marriage, the right to divorce, and women's rights to property.

A Vindication of the Rights of Woman: with Strictures on Political and Moral Subjects (1792), written by the 18th-century British proto-feminist Mary Wollstonecraft, is one of the earliest works of feminist philosophy. In it, Wollstonecraft responds to those educational and political theorists of the 18th century who believed that women should not receive a rational education.

Women's rights movement, also called women's liberation movement, diverse social movement, largely based in the United States, that in the 1960s and '70s sought equal rights and opportunities and greater personal freedom for women. It coincided with and is recognized as part of the 'second wave' of feminism.

Human rights require public bodies to treat you with dignity and respect, consult you about decisions and respect your choices. Human rights law gives pregnant women the right to receive maternity care, to make their own choices about their care and to be given standards of care that respect their dignity and autonomy as human beings.

Numerous international and regional instruments have drawn attention to gender-related dimensions of human rights issues, the most important being the UN Convention on the Elimination of All Forms of Discrimination against Women ( CEDAW ), adopted in 1979 (see box). In 1993, 45 years after the Universal Declaration of Human Rights was adopted, and eight years after CEDAW entered into force, the UN World Conference on Human Rights in Vienna confirmed that women's rights were human rights.

Women's rights are the rights and entitlements claimed for women and girls worldwide, and they formed the basis for the women's rights movement in the 19th century and the feminist movements during the 20th and 21st centuries. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others, they are ignored and suppressed.

### [Women's rights - Wikipedia](#)

Today, there is still a lack of consensus about what constitutes women's rights. Some would argue a woman's ability to control family size is a fundamental women's right. Others would argue women's rights fall under workplace equality or the chance to serve in the military in the same ways that men do.

Mary Wollstonecraft 's A Vindication of the Rights of Woman was a ground-breaking work of literature which still resonates in feminism and human rights movements of today. Wollstonecraft (1759-1797) wrote the book in part as a reaction to Edmund Burke's Reflections on the French Revolution, published in late 1790.

Women's rights are human rights. Equality rights are of particular importance, given the unequal treatment women have experienced in Canada. A number of legal instruments exist in Canada to protect equality for women. One is the Canadian Charter of Rights and Freedoms, which gives constitutional protection to individual human rights.
